

While Arkle Resources PLC (“Arkle Resources” or “the Company”) takes reasonable steps to ensure that information provided on the Company website is accurate and up to date, Arkle Resources takes no responsibility for any error or omission relating to this information. To the maximum extent permitted by law, the Company will not be liable for any cost, loss or damage suffered by you through your use of Arkle Resources’ website or Arkle Resources’ failure to provide access to this Internet website. Use of the Arkle Resources website is subject to the Terms Of Use available on the website.

ONLINE PRIVACY POLICY

This online Privacy Policy is provided to make you aware of how Arkle Resources collects, uses and manages information of visitors to its Internet website. The company is committed to maintaining the security of personal information provided to Arkle Resources by you when accessing the company website. This policy forms part of the terms of use of the website, and describes how Arkle Resources treats personal information that it receives through your use of the website.

The Company may make access to other websites available to you through hyperlinks. These websites are not subject to Arkle Resources’ Privacy Policy.

COLLECT INFORMATION

The Company may collect information regarding visitors to our website: the pages that you view, the links you click and other actions taken in the website. The Company may also collect information that your browser sends to every website you visit such as your IP address, browser type, language, access times etc. and referring website addresses. Arkle Resources may collect and store this information for statistical purposes.

Other than as stated above, no attempt is made to identify users or their browsing activities except, in the event of an investigation, where a law enforcement agency may exercise a warrant to inspect logs, or where the Company believes it is required to collect and produce relevant electronic documentation to fulfil its obligations to third parties, including statutory organisations under local law.

Arkle Resources endeavours to use and disclose your personal information only in limited circumstances. Arkle Resources may do so if it is necessary to protect any copyright or intellectual property in the material in the website, or if it is necessary to enforce the Arkle Resources website Terms and Conditions of Use.

SECURITY

Arkle Resources takes all reasonable security measures to protect personal information from loss, unauthorised access, destruction, misuse, modification or disclosure. As far as permissible under law, the Company accepts no responsibility for the unauthorised access of personal information held by Arkle Resources.
